

Re-introducing the Lahrmer & Company LLC REFERRAL PROGRAM

The referral program is now easier than ever. No forms, no papers, no fuss. Here's how the program works.

- Tell a friend or family member about Lahrmer & Company LLC
- When they come in to get their tax returns prepared, make sure they tell us who referred them
- When your referral's tax return is complete, paid for, and picked-up, a \$10 gas gift card will be mailed to you.

There is no limit to the number of referrals and thus the number of gas cards you can receive.

Stop using your own money to fill up your gas tank and let Lahrmer & Company LLC pay for it.
